PROGRAM DETAILS:

05/08/2023 - 12/31/2023

Program rules are subject to change afterwards.

Estimated SKUs to be converted on initial order must be no more than 20 kits to get program qualification. End user who participate in this program must purchase from an authorized FLEX dealer or distributor. Brick and Mortar only.

Eligible FLEX tools: All of FLEX cordless power tools in kit execution. Bare tools, accessories and attachments are not included. Eligible competitive brand: Cordless kits of pro brands including DeWalt, Milwaukee, Bosch, Makita, Hilti, Metabo, Hitachi.

The kit that end user purchased must have the same or higher MSRP than the kit sent out as free goods. All of the SKUs involved must be in original full kit execution (tool plus battery plus charger). Kits with missing/wrong component are not eligible for this program.

Purchase order, together with photos/videos, must be sent to sales reps/sales manager for confirmation and audit. The redemption amount for dealer/distributor will be based on invoiced price when they purchased the conversion SKUs. Redemption will be sent in the form of credit memo within 30 days after the invoiced date of conversion order. End users must finish FLEX warranty registration process after they receive the free goods. FLEX conversion program cannot be combined with other retail-off promotions.

Example: For initial order, an end-user purchases 15 pieces of FXM202-2B and returns 15 M-18 2-piece combo from Milwaukee, they can receive 15 pieces of FXM202-2B for free.
